

Maxx 223 F F black

Non-permanent universal marker, fine line width (F) approx. 0.7 mm. Writing colour black. For writing on transparencies (OHP), paper, plastic, glass, metal and almost all other materials. The marker's vibrantly coloured ink is quick-drying, but can be wiped off with ease using a moist cloth. It has a low odour and is free of toluol and xylol. Slim pocket model with practical clip cap.
