

Maxx 290 Wallet 4 pieces M black, #000;|red, #F00;|blue, #00F;|green

Whiteboard and flipchart marker with bullet tip, line width 2-3 mm. Wallet with 4 pieces: black, red, blue, green. *Housing consists of 95% recycled plastic. Whether on a whiteboard or on paper, the strong, vibrant colours are easy to read even from the back of the room. The ink can be removed from whiteboards with a dry cloth without leaving residue and will not seep through to the page underneath on flipcharts. The cap-off ink does not run dry even if the cap is removed for 2-3 days. It has a low odour and is free of toluol and

xylo. The new higher volume format contains more ink for maximum writing performance and the new bullet tip writes pleasantly soft without squeaking noises. The Maxx 290 has a practical clip cap and can be refilled using Maxx 665 refill station.
