

Pen body made of
92% recycled plastic

Using recycled plastic to make high quality writing instruments is not as easy as it sounds. We have devoted a great deal of attention to obtaining suitable sources of materials. The recycled material for this ballpoint pen was obtained from the plastic waste of private households and can therefore be classified as post-consumer. We engage in genuine recycling and only use recycled plastics from appropriate certified sources that have been tested for harmful substances.

REFILL

Eco 725 M

**Scoring not smearing,
with inner values:**

After all, even the refill of the Reco ballpoint pen is made of recycled plastic and is entitled to bear the „Blue Angel“ eco-label.

www.blauer-engel.de/uz200

The body of the Eco 725 M giant refill is made of 95% recycled plastic. It is certified with the „Blue Angel“ eco-label and is suitable as a refill for the ballpoint pen Reco and many other models. Its light and constant ink flow procures a clean writing – and its wear-resistant stainless steel tip ensures a long service life. The refill is water-proof according to ISO 12757-2 and available in the writing colours blue and black.

BALL POINT PEN

Reco

The first ballpoint pen in the world that has been awarded the most famous eco-label, the "Blue Angel", convinces with its particularly environmentally friendly and resource-saving production. The pen body is made of 92% recycled plastic. The streamlined dynamic design in combination with its matte satin surface creates a clean yet elegant appearance. Reco is equipped with the giant Eco 725 M refill, whose barrel is also made of recycled plastic.

** This product is certified with the Blue Angel in its predefined basic variants. Product changes of any kind would require a new validation process. For this reason, only the basic versions of our products bear the „Blue Angel“ logo. From now on, the refining in tampon printing is also certified with the Blue Angel and would therefore not require a new validation process (except for: printing colour gold).

Awarded.
